
ELECTRIFICATION BROCHURE

You need to protect your customers' and your brand's reputation by using the highest quality products.

You're the expert in your products; let us be the expert for your interconnects.

In your world, you need products quickly without any lost production time.

Low or no minimum order quantities. From prototyping to full scale production, we're ready to meet your needs.

PEI-Genesis maintains an AS9100D and ISO9001:2015 certified quality management system at its corporate headquarters in Philadelphia, PA, and at production facilities in South Bend, IN; and Southampton, UK. PEI's Zhuhai, China facility achieved AS9100D and ISO9001:2015 in September 2017.
